

## Now I can... **keep up with my kids**

It was the scariest Halloween ever for registered nurse Hollie Harvey. While on a family hayride, Hollie fell under the wheels of a wagon and broke her back.

Surgeons predicted she would never walk again. But staff at Methodist Rehab said: "Let's see what you can do." And with their support and guidance, the Mendenhall mother of three gave it her all and got back on her feet.

"When they would tell me to do 10 reps, I would do 20," she said. "I wanted to be able to kick a ball with Hooks, Anna Grace and Honey Beth. That was my motivation."
